

Aug. 20 No Lights

Kind of difficult to have highlights when rain and lightning hits, causing either cancellation or postponement of races. One such postponement and rescheduling was the **Race for Jeph** that was scheduled Saturday (Aug. 20) morning. However, Cox Racing Services announced the night before that the race wasn't going to happen based on the forecast. So, it was rescheduled for this Saturday (Aug. 27) and moved to Vandergriff Park in Arlington and lopped from a 5K to a 2-mile race. A 1K is slated for 8 a.m., and the Jeff's run is at 8:30. It will be followed by the scheduled **Bye Summer Terrific 2 Mile, 1K** at 9 and 9:10.
